1. We **accept custom orders**. All products are customized according to customer's specific requirements, such as measurement, structure, printing colors, surface finishing, etc. Professional suggestions are available.
2. We have our own design department. if you don't have printing artwork yet, we can make designs for you. The design fee depends on the design's complexity. 3. **Blank sample and stock sample can be offered for free**. As for **customized sample**, we only charge you once. If the sample can not meet your demand, we will remake it until you are satisfied, or refund the cost.
4. Lead time: **1 days** for blank sample, **1-3 days** for customized sample. For mass production, normally it takes **5-10 days**, rush orders are available.
5. We are strictly with our **products quality**. Before shipping, we will send clear photos for your confirmation and take a random of the products to check the product quality. Even after you got the product, if you find any quality problem, it can be returned or exchanged.
