Choose Your Products

- We accept custom orders. All products are customized according to customer's specific requirements, such as measurement, structure, printing colors, surface finishing, etc. Professional suggestions are available.
- 2. We have our own design department. if you don't have printing artwork yet, we can make designs for you. The design fee depends on the design's complexity.

 3. Blank sample and stock sample can be offered for free. As for customized sample, we only

charge you once. If the sample can not meet your demand, we will remake it until you are satisfied, or refund the cost.

- 4. Lead time: 1 days for blank sample, 1-3 days for customized sample. For mass production, normally it takes 5-10 days, rush orders are available.
- 5. We are strictly with our **products quality**. Before shipping, we will send clear photos for your confirmation and take a random of the products to check the product quality. Even after you got the product, if you find any quality problem, it can be returned or exchanged.

can design for you freely. Q: Can I get samples before I decide to place an order? A: Yes, if the material is common, we can provide you with samples for free; if you need finished samples, we will charge for printing. Q: Do you require any deposit before mass production? A: Yes, 50% deposit and the rest will be paid before shipment. Q: If I want to place a bulk order directly, will you make samples for me first? A: Normally, we will arrange production after you confirm the design, then once it is finished, we will send

you videos and pictures to confirm, after you confirm, we will arrange shipping according to your requirements, if the finished product is not the same as the design or not what you want, we will make it
